

Spiffy is the premier mobile auto service provider offering a variety of zero-contact hand car washing, advanced detailing, oil change, and other car care services. Every appointment is conveniently performed on-site at office parks, fleets, and residences nationwide using the Spiffy Green™ system, the eco-friendliest way to service a vehicle.

How It Works

STEP 1

Tenants schedule on a dedicated Spiffy day

STEP 2

We arrive with power, water, & supplies

STEP 3

Customers transfer keys securely and digitally track, rate, & pay

Why Spiffy

CONVENIENT

Save time with services that come to you

PROFESSIONAL

Fully uniformed, equipped, and always improving

TRUSTED

Dedicated to 5-star quality for every customer

GREEN

Eco-conscious at every step

Spiffy Green™

Biodegradable cleaning products, made in the USA

Over 10 million gallons of water saved to date!

Used water and chemicals are captured and reclaimed

We reclaim everything & guarantee satisfaction
